

2018 5th Annual **FIRST** National Advocacy Conference

June 24-26, 2018 **Washington, DC**

We invite students & mentors, train them on STEM issues, and send them out to Capitol Hill to meet with their Senators & Members of Congress. Teams will have a chance to network and collaborate as they prepare for Advocacy. Students will leave as globally-minded, confident experts and Congress will earn a deeper appreciation for STEM initiatives.

This is YOUR opportunity to make a difference in our future!
